

SHOE CARE

LEATHER

Use a dry cotton cloth to remove dust and polish the shoes. You can apply colourless or matching-colour shoe cream.

TIP: if you have any stubborn stains, you can rub it with a wet cloth and some soap.

SUEDE / NOBUCK

Do not use creams, use a repellent spray to avoid stains.

TIP: you can use a dust repellent spray.

FABRIC

Clean with a piece of cloth, wash with cold water and mild soap, trying not to soak the shoe.

TIP: you can use clothes stain removers.

SYNTHETIC

Rub with a wet cloth to remove superficial stains.

TIP: let it dry at room temperature.
